What is the interest rate?

1-year term Issue 84	On general sale 3.98% gross/4.05% AER
2-year term Issue 73	On general sale 3.93% gross/4.00% AER
3-year term Issue 75	On general sale 4.03% gross/4.10% AER
5-year term Issue 67	On general sale 3.99% gross/4.06% AER

We calculate the interest daily and pay it to your bank account once a month.

Can NS&I change the interest rate?

You'll receive the rate on offer at the time you start a new investment term, and that rate will be fixed for the length of your chosen term. We can change the fixed rates on offer at any time. Each time we change the rate on offer we release a new Issue of Bonds. We can also withdraw any Issue without notice. Visit our website to check the latest rates and availability.

What would the estimated balance be at the end of the term based on a £1,000 deposit?

1-year term Issue 84	A £1,000 deposit would earn £39.76 interest by the end of the 1-year term.
2-year term Issue 73	A £1,000 deposit would earn £78.55 interest by the end of the 2-year term.
3-year term Issue 75	A £1,000 deposit would earn £120.90 interest by the end of the 3-year term.
5-year term Issue 67	A £1,000 deposit would earn £199.50 interest by the end of the 5-year term.

The interest is paid out monthly so the balance would remain at £1,000 at the end of each term. These are illustrations only, so they don't take into account your individual circumstances.

Can I withdraw money?

No, a Guaranteed Income Bond is a fixed-term investment that has to be held for the full term. This means that you won't be able to access your money until it matures.

We'll contact you to let you know your options at least 30 days before your Bond matures.

Additional information

We pay your interest without deducting any tax. However, the interest is taxable so it will count towards your Personal Savings Allowance. Find out more at **nsandi.com/tax-and-savings**

We'll send you a statement in April each year, showing the interest you've earned and your balance. You can choose to receive your statements electronically or by post.
